Dartington C of E Academy Bulletin
27th November 2026

Dear Families,

As we move towards the festive season, I would like to say a huge thank you to our PTFA for all their hard work in creating personalised Christmas gifts to help raise funds for the school. Christmas is always an especially busy time for our volunteers, and we are incredibly grateful for the time, creativity and effort they give to support our children and community. If you can, please do lend them your support.

Alongside this bulletin, I am also sharing a parent leaflet summarising the safeguarding information that we discuss with children each half term. These sessions are designed to empower children to make safe choices, understand how to keep themselves safe, and know that there is always a trusted adult they can talk to if they are worried about something. Please take a few moments to read through the leaflet and use it as an opportunity to talk with your child about staying safe, both in and out of school.

Thank you, as always, for your continued support. We value the strong partnership between home and school in helping all of our children feel safe, happy and ready to learn.

Best wishes

Miss Coombe,

Headteacher

Safeguarding

What should I do if I have a safeguarding concern?

Keeping our children safe is everyone's responsibility. If you ever have concerns about the welfare or safety of a child, please report them immediately.

How to report a concern:

- **Contact the school directly:** Speak our Designated Safeguarding Lead (DSL) or Deputy Safeguarding Leads.
- If you think a child is at risk of significant harm or want to talk about your concerns about a child or family, you can contact Devon Children's Services on 0345 155 1071. Calls are confidential and you can choose to remain anonymous.

If a child is in **immediate danger**, please call **999**.

Your vigilance helps us keep every child safe. Thank you for working with us to protect our school community.

Attendance

It can be tricky deciding whether or not to keep your child off school. The NHS have the following advice for illnesses.

Coughs and Colds – It is fine to send your child in to school with a cough or a common cold. However, you should keep them off if they have a fever over 38 degrees.

Chicken Pox – If your child has chicken pox, keep them off school until the spots have crusted over. This is usually about 5 days after they start appearing.

Cold Sore – There is no need to keep your child off with a cold sore.

Conjunctivitis – You do not need to keep your child off with this. They may come to school but will need advice from the pharmacy.

Head lice – There's no need to keep your child off school if they have head lice, but you will want to gain advice from a pharmacist on how to treat it.

Impetigo – If they have impetigo, they will need treatment from a GP, often with antibiotics. Keep them off school until the sores have crusted over and healed.

Sore throat – There is no need to keep your child off with a sore throat unless they have a temperature too.

Vomiting and diarrhoea – If you think this is viral, children should stay off for 48 hours after being sick or having diarrhoea.

Covid -19 – If your child has mild symptoms, such as a runny nose, sore throat, or cough, and feels well enough, they can still come to school. They should stay at home if they have a high temperature or do not feel fell enough to do their normal activities. If a test is taken, they should remain at home for 3 days.

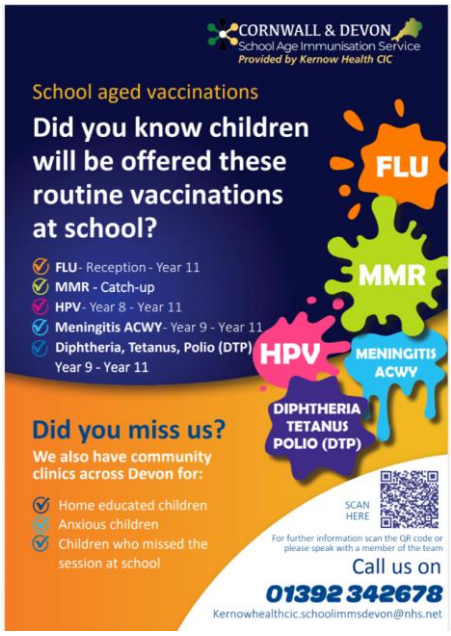

DARTINGTON
CHURCH OF ENGLAND ACADEMY

For any minor illnesses like the ones listed above or headaches, sore throats, coughs or hay fever etc, your child can come into school and you can bring medicine to the office for your child to take throughout the day. Please ask for a Medicine Administration form from the office or click on the link above under Useful Links.

We hope this helps you to make decisions about whether your child is well enough to come to school. Any questions, we will be happy to discuss them with you.
