Census Day Reminder - Please Book a School Meal!

Dear Families,

On **Thursday 1st October**, we have our annual **School Census Day**. This is a very important day because government funding for schools is calculated using census information, including the number of children in EYFS, Year 1 and Year 2 who take a school meal on that day.

To support the school in securing the funding our children deserve, **every child will be offered a special school lunch completely free of charge on Census Day**. We are asking all families to **book a school meal via MCAS**, even if your child would usually bring a packed lunch. Children are still welcome to bring a packed lunch if they wish, but having a meal booked for Census Day helps maximise funding for our school.

Thank you for your support. Every meal booked makes a difference and helps us provide the very best opportunities for our children.

BENEDICT'S LAW

Allergy safety in schools – what parents need to know

Benedict's Law is the name commonly used for new allergy-safety protections in England, introduced following the death of five-year-old Benedict Blythe after an allergic reaction at school.

**ALLERGY
ALERT**

**MEDICAL
SUPPORT**

**ADRENALINE
AUTO-INJECTOR
(AAI)**

From September 2026, schools in England are expected to:

Have a dedicated allergy safety policy.

Provide allergy awareness and emergency response training for staff.

Keep spare adrenaline auto-injectors (AAIs) for emergencies.

Have clear individual healthcare/allergy plans where needed.

Record incidents and near-misses.

Provide inclusive support for pupils with allergies.

HOW PARENTS CAN HELP

Tell us about any allergy or change in medical needs.

Keep your child's allergy/healthcare information up to date.

Provide prescribed medication/AAIs and check expiry dates.

Make sure the school knows about any changes to your child's emergency plan.

Speak to the school office if you have questions or concerns.

Keeping children safe, included and able to learn is everyone's responsibility.

Allergy safety is a partnership between school, families and healthcare professionals.

What should I do if I have a safeguarding concern?

Keeping our children safe is everyone's responsibility. If you ever have concerns about the welfare or safety of a child, please report them immediately.

How to report a concern:

- **Contact the school directly:** Speak our Designated Safeguarding Lead (DSL) or Deputy Safeguarding Leads.
- If you think a child is at risk of significant harm or want to talk about your concerns about a child or family, you can contact Devon Children's Services on 0345 155 1071. Calls are confidential and you can choose to remain anonymous.
- Link to website <https://www.devonscp.org.uk/make-a-request-for-support/parents-carers-public/>

If a child is in **immediate danger**, please call **999**.

Your vigilance helps us keep every child safe. Thank you for working with us to protect our school community.

Attendance

It can be tricky deciding whether or not to keep your child off school. The NHS have the following advice for illnesses.

Coughs and Colds – It is fine to send your child in to school with a cough or a common cold. However, you should keep them off if they have a fever over 38 degrees.

Chicken Pox – If your child has chicken pox, keep them off school until the spots have crusted over. This is usually about 5 days after they start appearing.

Cold Sore – There is no need to keep your child off with a cold sore.

Conjunctivitis – You do not need to keep your child off with this. They may come to school but will need advice from the pharmacy.

Head lice – There's no need to keep your child off school if they have head lice, but you will want to gain advice from a pharmacist on how to treat it.

Impetigo – If they have impetigo, they will need treatment from a GP, often with antibiotics. Keep them off school until the sores have crusted over and healed.

Sore throat – There is no need to keep your child off with a sore throat unless they have a temperature too.

Vomiting and diarrhoea – If you think this is viral, children should stay off for 48 hours after being sick or having diarrhoea.

Covid -19 – If your child has mild symptoms, such as a runny nose, sore throat, or cough, and feels well enough, they can still come to school. They should stay at home if they have a high temperature or do not feel well enough to do their normal activities. If a test is taken, they should remain at home for 3 days.

For any minor illnesses like the ones listed above or headaches, sore throats, coughs or hay fever etc, your child can come into school and you can bring medicine to the office for your child to take throughout the day. Please ask for a Medicine Administration form from the office or click on the link above under Useful Links.

We hope this helps you to make decisions about whether your child is well enough to come to school. Any questions, we will be happy to discuss them with you.

PTFA

Welcome to Dartington PTFA

All families who have children at our school are welcome along to the Parent, Teacher, Friend Association (PTFA). Our organising committee plans events and works closely with the school to identify funding needs. We're always happy to welcome new members who'd like to get involved!

Our Aims

- **Community** We aim to strengthen the bond between the school and our families.
- **Fundraise** The money we raise goes to all sorts of things - from topping up the essentials to providing added enrichment to the school experience. Last year, alongside a calendar of events, we also funded a poetry exhibition and helped create a dedicated reading shed in the school playground.

AGM - All Welcome

Friday 2 October, 2-3pm Designs Cafe and from 3.15pm at Things Happen Here

Our annual general meeting is for all parents, friends and teachers who are interested to learn about the work of the PTFA. We'll have two sessions to catch as many people as possible.

This term's events!

Save the date - we've got a term full of fun and fundraising planned, with more details to follow soon:

- **Pumpkin party** - Friday 23 October
- **Christmas Jumper swap** - Friday 20 November
- **Christmas Dis-glo** - Friday 11 December

Ways to get involved

We know everyone is busy and time is tight so every contribution - big or small makes a difference.

We're event planning a little differently this year with a way to indicate your interest in helping out on different events or activities. Joining a specific chat doesn't mean you're signing your life away! Just shows your interest and keeps you updated on what's happening.

Join the PTFA planning group here >

<https://chat.whatsapp.com/HeirKncYviU32cNgrT7Xg1?s=cl&p=i&mlu=4&ilr=4>

Last year was a record-breaker - most events ever and a huge amount raised for the school. Let's see if we can top it this year!

LEAP workshops – free online support for families and professionals

Parent Carer Forum Devon and SEND Family Voice Torbay, working in collaboration with Children and Family Health Devon (CFHD), are offering a new programme of free workshops for families and professionals across Devon and Torbay.

The workshops focus on SEND, and are designed to build understanding, confidence and practical skills to support children and young people in everyday life.

Topics include autism, sensory processing, masking, dyslexia and supporting independence.

https://leapworkshops.org/?es_c=0C2A601FC8C312E5576375CABE5127DC&es_cl=71ECADB155925EBC18C9D658508CC35E&es_id=xg%C2%A342

Free Parent Safety Workshops and Resources

We would like to share a valuable resource for parents and carers from **Let's Talk Safer Families**. The organisation provides free, evidence-based information, guidance and online events to help families understand and respond to issues affecting children and young people, including online safety, healthy relationships, exploitation, neurodiversity and emotional wellbeing. The sessions are designed to help parents build confidence, start important conversations with their children and access trusted support.

Parents and carers can view upcoming events and access a range of helpful resources by visiting: www.letstalksaferfamilies.org/events

Free SEND Workshops for Parents and Carers

We would like to highlight **LEAP Workshops (Learn. Empower. Advocate. Prepare)**, a free programme of workshops designed to help parents, carers and professionals better understand and support children and young people with Special Educational Needs and Disabilities (SEND). The sessions cover a range of topics including sensory differences, communication, anxiety, sleep difficulties, behaviour, dyslexia, masking and developing independence.

The workshops are available online and in person across Devon and Torbay, providing practical strategies, expert guidance and opportunities to learn from both professionals and families with lived experience. They are free to attend and are open to all parents and carers.
