

Dartington C of E Academy: 2024-2025 Pupil Outcomes

Below are the school's published outcomes for the end of the academic year 2024-2025. The 'National' data is also added so that you are quickly able to see how the school is doing compared to 'all children' across the country. For Key Stage 2, we have also added the Pupil Premium which are the outcomes for those children who are entitled to Free School Meals; it is important that this data is looked at so that we are ensuring all our pupils are achieving the highest possible outcomes.
