PTFA

The aim of the PTFA (Parent, Teacher, Friend Association) is to help our children get the very best out of their school experience, by helping to provide the 'extras' that help to make school memorable. All funds raised help provide extra resources to support and enrich the school experience for our children. We are currently fundraising for an adventure playground, musical instruments, and some new books for the library.

As a parent run charity, we need as much support as possible to run events, brainstorm ideas and provide feedback. So please get in touch if you would like to get involved. Please visit their website on [Dartington Academy PTFA](#)

Classical Music Assemblies Project

A message from Rachel one of our music teachers

Over the last year I coordinated a project in school to see the effect of a fun classical music assembly once every half term. Classical music has a depth and power of storytelling that is exciting, nourishing and accessible for children. We asked children for their responses and results showed the most popular piece was Stravinsky's Firebird Suite (Finale) with lots of positive comments about many of the other pieces. They could name many composers and pieces of music.

The Year 9 KEVICC students coming in and playing their classical pieces (grades 5-7) made a big impression. Children often have no idea of their potential and level of ability they can reach. Over a third of students said they would really love to learn an instrument to play classical music.

Lessons are available at school and at the Saturday morning music centre at KEVICC

(www.sammtotnes.org). There are also lots of music groups to participate in including choirs. Instruments can be hired easily through Devon Music Education Hub
