

Dartington C of E Academy Bulletin

2nd April 2026

Dear Families,

It has been a joy to welcome so many of you into our open classrooms and Easter services this week, as we celebrate the end of a busy and productive term of learning together.

A heartfelt thank you to our wonderful PTA for their hard work in clearing the school polytunnel and garden, ready for our children to enjoy. They have also organised a fantastic Easter experience in the Orchard today. We are incredibly grateful for their ongoing support and dedication to our school community.

Have a lovely Easter break,

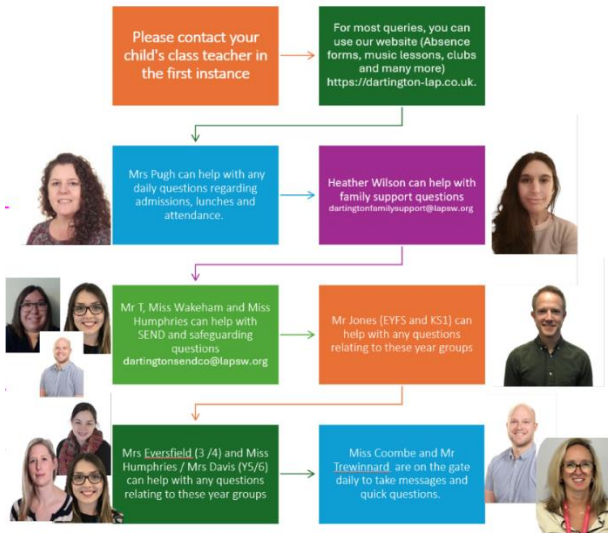

Miss Coombe

Attendance

It can be tricky deciding whether or not to keep your child off school. The NHS have the following advice for illnesses.

Coughs and Colds – It is fine to send your child in to school with a cough or a common cold. However, you should keep them off if they have a fever over 38 degrees.

Chicken Pox – If your child has chicken pox, keep them off school until the spots have crusted over. This is usually about 5 days after they start appearing.

Cold Sore – There is no need to keep your child off with a cold sore.

Conjunctivitis – You do not need to keep your child off with this. They may come to school but will need advice from the pharmacy.

Head lice – There's no need to keep your child off school if they have head lice, but you will want to gain advice from a pharmacist on how to treat it.

Impetigo – If they have impetigo, they will need treatment from a GP, often with antibiotics. Keep them off school until the sores have crusted over and healed.

Sore throat – There is no need to keep your child off with a sore throat unless they have a temperature too.

Vomiting and diarrhoea – If you think this is viral, children should stay off for 48 hours after being sick or having diarrhoea.

DARTINGTON
CHURCH OF ENGLAND ACADEMY

Covid -19 – If your child has mild symptoms, such as a runny nose, sore throat, or cough, and feels well enough, they can still come to school. They should stay at home if they have a high temperature or do not feel well enough to do their normal activities. If a test is taken, they should remain at home for 3 days.

For any minor illnesses like the ones listed above or headaches, sore throats, coughs or hay fever etc, your child can come into school and you can bring medicine to the office for your child to take throughout the day. Please ask for a Medicine Administration form from the office or click on the link above under Useful Links.

We hope this helps you to make decisions about whether your child is well enough to come to school. Any questions, we will be happy to discuss them with you.

PTFA

Welcome to Dartington PTFA

All families who have children at our school are welcome along to the Parent, Teacher, Friend Association (PTFA). Our organising committee plans events and works closely with the school to identify funding needs. We're always happy to welcome new members who'd like to get involved!

Our Aims

- **Community** We aim to strengthen the bond between the school and our families.
- **Fundraise** The money we raise goes to all sorts of things - from topping up the essentials to providing added enrichment to the school experience. Last year, alongside a calendar of events, we also funded a poetry exhibition and helped create a dedicated reading shed in the school playground.
- **Making memories** Sampling a homemade bake, dancing at the disco, ice lollies on sports day - our events aren't just for fundraising, we want to come together and have some fun.

What's On

For the latest news on events and fundraising, please refer to the PTFA notice board outside school. We also run a WhatsApp community which includes individual class groups, there's a QR code to scan on the noticeboard.
