# Dartington C of E Academy Bulletin

## 5<sup>th</sup> June 2026

Dear Families,

It has been a real joy to welcome everyone back after half term and to see the children returning with such enthusiasm for learning and school life. This half of the summer term is always one of our busiest and most enjoyable, and this edition of the bulletin reflects just how much there is to look forward to. From author visits and exciting trips, to residentials, our much-anticipated Summer Fair and Sports Day, there are so many opportunities ahead for children to learn, grow and make lasting memories.

Alongside these highlights, you will also find important information about clubs, key dates and ways to support your child, as well as a reminder of **Thank a Teacher Day**, which gives us a special opportunity to recognise the incredible commitment of our staff team.

Thank you, as always, for your continued support. We are very much looking forward to a happy, productive and memorable second half of the summer term together.

Miss Coombe,

Headteacher

With **Thank a Teacher Day taking place on 17 June**, now is a great time to start thinking about the staff who make a difference every day, from teachers and teaching assistants to office, site, and support staff.

You can send a thank-you message in just a few minutes via the Thank a Teacher website.

## Attendance

It can be tricky deciding whether or not to keep your child off school. The NHS have the following advice for illnesses.

**Coughs and Colds** – It is fine to send your child in to school with a cough or a common cold. However, you should keep them off if they have a fever over 38 degrees.

**Chicken Pox** – If your child has chicken pox, keep them off school until the spots have crusted over. This is usually about 5 days after they start appearing.

**Cold Sore** – There is no need to keep your child off with a cold sore.

**Conjunctivitis** – You do not need to keep your child off with this. They may come to school but will need advice from the pharmacy.

**Head lice** – There's no need to keep your child off school if they have head lice, but you will want to gain advice from a pharmacist on how to treat it.

**Impetigo** – If they have impetigo, they will need treatment from a GP, often with antibiotics. Keep them off school until the sores have crusted over and healed.

**Sore throat** – There is no need to keep your child off with a sore throat unless they have a temperature too.

**Vomiting and diarrhoea** – If you think this is viral, children should stay off for 48 hours after being sick or having diarrhoea.

**Covid -19** – If your child has mild symptoms, such as a runny nose, sore throat, or cough, and feels well enough, they can still come to school. They should stay at home if they have a high temperature or do not feel well enough to do their normal activities. If a test is taken, they should remain at home for 3 days.

For any minor illnesses like the ones listed above or headaches, sore throats, coughs or hay fever etc, your child can come into school and you can bring medicine to the office for your child to take throughout the day. Please ask for a Medicine Administration form from the office or click on the link above under Useful Links.

**DARTINGTON**  
CHURCH OF ENGLAND ACADEMY

We hope this helps you to make decisions about whether your child is well enough to come to school. Any questions, we will be happy to discuss them with you.

### Welcome to Dartington PTFA

All families who have children at our school are welcome along to the Parent, Teacher, Friend Association (PTFA). Our organising committee plans events and works closely with the school to identify funding needs. We're always happy to welcome new members who'd like to get involved!

### Our Aims

- **Community** We aim to strengthen the bond between the school and our families.
- **Fundraise** The money we raise goes to all sorts of things - from topping up the essentials to providing added enrichment to the school experience. Last year, alongside a calendar of events, we also funded a poetry exhibition and helped create a dedicated reading shed in the school playground.

**DARTINGTON**
