

Dartington C of E Academy Bulletin

26th June 2026

Dear Families,

Last week's Summer Fair was a fantastic celebration of our school community, and we would like to extend our heartfelt thanks to our wonderful PTFA and all of our families for their incredible support. The event was filled with laughter, fun and a real sense of togetherness, with children thoroughly enjoying the games, activities, stalls and entertainment on offer. Events like these are only possible because of the time, generosity and enthusiasm of our community, and we are extremely grateful to everyone who contributed to making the fair such a memorable success.

We would also like to say a huge thank you to our dedicated volunteers and to Miss Zaki for organising this week's outstanding Art Exhibition. It was a delight to see the children's creativity and talent showcased so beautifully. Visitors enjoyed exploring a diverse collection of artwork, celebrating a range of artistic techniques, styles and themes from across the school. The pride on the children's faces as they shared their work with family and friends was truly special to witness, and the exhibition provided a wonderful opportunity to celebrate their imagination, effort and achievements. With so many exciting events and learning opportunities still to come this term, there is certainly lots for our children and families to look forward to in the weeks ahead.

A handwritten signature in black ink that reads "Miss Coombe". The signature is written in a cursive style.

Miss Coombe,

Headteacher

- * Believe the child
- * Reassure them for doing the right thing

Attendance

It can be tricky deciding whether or not to keep your child off school. The NHS have the following advice for illnesses.

Coughs and Colds – It is fine to send your child in to school with a cough or a common cold. However, you should keep them off if they have a fever over 38 degrees.

Chicken Pox – If your child has chicken pox, keep them off school until the spots have crusted over. This is usually about 5 days after they start appearing.

Cold Sore – There is no need to keep your child off with a cold sore.

Conjunctivitis – You do not need to keep your child off with this. They may come to school but will need advice from the pharmacy.

Head lice – There's no need to keep your child off school if they have head lice, but you will want to gain advice from a pharmacist on how to treat it.

Impetigo – If they have impetigo, they will need treatment from a GP, often with antibiotics. Keep them off school until the sores have crusted over and healed.

Sore throat – There is no need to keep your child off with a sore throat unless they have a temperature too.

Vomiting and diarrhoea – If you think this is viral, children should stay off for 48 hours after being sick or having diarrhoea.

Covid -19 – If your child has mild symptoms, such as a runny nose, sore throat, or cough, and feels well enough, they can still come to school. They should stay at home if they have a high temperature or do not feel well enough to do their normal activities. If a test is taken, they should remain at home for 3 days.

For any minor illnesses like the ones listed above or headaches, sore throats, coughs or hay fever etc, your child can come into school and you can bring medicine to the office for your child to take throughout the day. Please ask for a Medicine Administration form from the office or click on the link above under Useful Links.

We hope this helps you to make decisions about whether your child is well enough to come to school. Any questions, we will be happy to discuss them with you.

Welcome to Dartington PTFA

All families who have children at our school are welcome along to the Parent, Teacher, Friend Association (PTFA). Our organising committee plans events and works closely with the school to identify funding needs. We're always happy to welcome new members who'd like to get involved!

Our Aims

- **Community** We aim to strengthen the bond between the school and our families.
- **Fundraise** The money we raise goes to all sorts of things - from topping up the essentials to providing added enrichment to the school experience. Last year, alongside a calendar of events, we also funded a poetry exhibition and helped create a dedicated reading shed in the school playground.
